

Allied Mineral Products and our European affiliates ensure your personal data is handled in such a way to keep your privacy protected and guaranteed as much as possible. Allied Mineral Products and our European affiliates only keeps track of the personal data it needs to be able to serve you, execute the service agreement with you, keep track of web statistics and be able to comply with the mandatory (legal) requirements.

In order to carry out its work, it is necessary for Allied Mineral Products and our European affiliates to process personal data.

Allied Mineral Products and our European affiliates collects only personal data that has been made available explicitly and voluntarily. The provided information may include, but is not limited to, first and last name, address, gender, telephone number, email address and other personal data relating to Allied Mineral Products and our European affiliates. We will also process personal data if required to do so by law.

Allied Mineral Products and our European affiliates shall not store the provided personal data for longer than is necessary for the purposes for which they were collected.

The person whose personal data is processed has - subject to legal exceptions - the right to request access, rectification or deletion of the personal data or restriction of the relevant processing. There is also the right to object the processing and data transferability. Objections and requests for inspection, modification, deletion or transfer of your personal data will be handled by us within four weeks, in accordance with the law, with the exception of exceptions.

Cookies

Allied Mineral Products and our European affiliates collects and stores certain visitor information about the use of this website, such as the date and time you visited the website, type of browser, browser language, Internet Protocol (IP) address of the computer you used, number of hits, which pages and sub-pages have previously been visited and duration of the user session. This information is collected via a cookie. A cookie is a text file that your browser stores on the hard drive of your computer. No personal information can be included in our cookies. Most web browsers automatically accept cookies, but you can usually change the setting of your browser to prevent this. If you do not wish to receive cookies, please check the help function of your Internet browser to see how you can block all cookies.

Provision to Third Parties

All information that you enter on our website will be sent to Allied Mineral Products and our European affiliates. We do not make your personal details available to third parties without your consent.

Amendments

Allied Mineral Products and our European affiliates reserves the right to make changes to this privacy statement at any time in accordance with applicable laws and regulations. Therefore, check this web page from time to time to see if changes have occurred.

If you have any questions about our privacy statement, please contact us.
